Decappol

Powerful degreaser for kitchen equipment

- Highly concentrated formula, alkaline and solvented
- Concentrated ready-to-use product allowing simple (spray) and economic use
- General-purpose: degreasing of many surfaces
- Without coloring, fragrance-free, non allergenic

Product information:

Decappol

Powerful degreaser for kitchen equipment

DESCRIPTION

Ready to use product for degreasing many surfaces: ovens, grills, furnaces, fryers, exhaust hoods, kitchen floors, extraction and ventilation filters, storage surfaces, equipment, ...
Food contact approved.

USE

- Scouring (carbonized grease): spray the product neat on to the surfaces to be treated, pre-heated to 40-50°C. Leave to act for five minutes. Rub with a scouring brush. Rinse with clear water and scrape. Leave to dry.
- Surface degreasing: use with a foam gun and a 5 to 10% dilution (5L can). Put foam on the surface areas to be treated. Leave to act for five minutes. Rub with a scouring brush if necessary. Scrape away the foam. Rinse with clear water. Leave to dry.
- Equipment heavy duty cleaning: minimum 5%.
- Soaking equipment: prepare a 10% Decappol solution in hot water. Soak. Scrub and rinse.
- Soaking floors: prepare 10% Decappol solution with hot water. Soak. Scrub and rinse.

Safe for stainless steel surfaces (when used as recommended).

DOSAGE

- According to the use

TECHNICAL CHARACTERISTICS

- Color: colorless
- Pure pH > 13,5
- pH in solution of 1%: 12,0 ± 0,5

STORAGE

Keep the product in its original closed packaging. Protect against freezing temperatures.

ECOLOGICAL INFORMATION

- Biodegradable product (CE 648/2004)

PACKAGING

Packaging	Reference	EAN code
Drum 200 liter	2200695	5411283229562
Carton 2x5 liter	2200658	05411283225861
Carton 6x750 ml *	2200641	05411283224161

All our packaging is 100% recyclable.
Containers marked with an * contain recycled plastic.
