- Designed for any water hardness
- Suitable for any professional or semi-professional dishwasher
- Without coloring, fragrance-free
- Non allergenic
- Without VOCs (Volatile Organic Compounds)

Product information:

Washclean

Non-chlorinated alkaline detergent

DESCRIPTION

Powerful degreasing detergent that eliminates every kind of dirt, regardless of the water hardness. Top quality sequestering agents facilitate rinsing and prevent scaling. Is used with an adapted dosing system. Food contact approved.

USE

- Sort the crockery and remove the scraps. Put the crockery into the machine. The product is automatically dosed in the machine by the dosing system.
- Replacing an empty can: turn off the crockery dishwasher. Turn off the Pollet doser if necessary. Wear safety goggles and gloves. Carefully remove the product aspiration pipe from the empty can. Introduce the aspiration pipe into the new can. Turn on the doser and the dishwasher. Restart the Pollet doser pump, if necessary.

Safe for stainless steel surfaces (when used as recommended).

DOSAGE

- 0,04 % to 0,12 % (0,5 to 1,5g per liter of water), according to the water hardness.

TECHNICAL CHARACTERISTICS

- Color: colorless to yellow
- Pure pH: ≥ 14
- pH at 1g/l: $10,5 \pm 0,5$

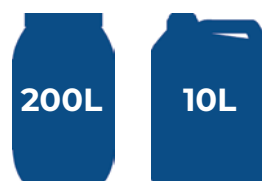

STORAGE

Keep the product in its original closed packaging. Protect against freezing temperatures.

ECOLOGICAL INFORMATION

- Biodegradable product (CE 648/2004)
- Packaging 100% recyclable
