Odor Control Canal Clean

Enzymatic drain cleaner

DESCRIPTION

This biotechnological drain cleaner effectively prevents and eliminates malodorous deposits in all types of pipes. Its enzyme-concentrated formula effectively breaks down accumulations of hair, soap, grease and other organic residues.

By applying this product once a week, you can eliminate unpleasant odours over the long term and prevent blockages from forming in your pipes.

Unlike traditional unblockers, this product is non-corrosive and safe for your pipes. It also preserves the bacterial balance of septic tanks, ensuring they work properly. Its pH-neutral formula and long-lasting mint fragrance make it safe and pleasant to use.

USE

Drain maintenance and odour elimination

- Pour 30ml into each pipe once a week

Unblocking drains

- Pour 0.25 to 0.5L down the drain
- Leave overnight
- Rinse with hot water
- If necessary, repeat the operation

WARNING: This product is not designed to treat completely blocked pipes. In the event of a complete blockage, we recommend using a conventional chemical unblocker.

TECHNICAL CHARACTERISTICS

- Fragrance: mint
- Colour: colourless to slightly yellow
- Pure pH: $8 \pm 0,5$

STORAGE

Keep the product in its original closed packaging. Protect against freezing temperatures.

ECOLOGICAL INFORMATION

- Biodegradable product (CE 648/2004)
- 100% recyclable packaging
