

AllerClean Multi Fruity

Concentrated multi-purpose anti-allergen detergent

- For daily cleaning of hard and resilient floors and high surfaces
- Continuously and preventively breaks down the main respiratory allergens, thanks to probiotic activity
- Safe for users, no hazard pictograms
- Certified by the EU Ecolabel

AllerClean Multi Fruity

Concentrated multi-purpose anti-allergen detergent

DESCRIPTION

Concentrated daily detergent for cleaning all types of floors and surfaces. Particularly suitable for glazed tiles, resilient floors (thermoplastics, linoleum) as well as high surfaces such as desks, tables and window sills.

Effectively removes soiling while ensuring continuous and preventive breakdown of respiratory allergens present on surfaces, thanks to the action of probiotics. Contributes to a healthier indoor environment. Exotic fruity fragrance.

USAGE

Surfaces : application with a microfibre.

- Prepare a product solution.
- Clean the surface using a microfibre cloth impregnated with the solution.
- Allow to dry.

Floors : manual application (double bucket, flat mopping or traditional mop) or mechanical application (scrubber dryer).

- Prepare a product solution.
- Clean the floor using the preferred method.
- Allow to dry.

Pollet does not advise using probiotic cleaners in certain limited hospital areas: high and very high-risk zones (zone 3 and 4).

DOSAGE

- Daily cleaning: 0.6% (3 doses/10L)
- For persistent stains: 3%

TECHNICAL CHARACTERISTICS

- Fragrance: exotic fruits
- Colour: colourless
