- Approved for food contact

Product information:

ODOR LINE INDOORS

ALL-PURPOSE CLEANER

DESCRIPTION

Concentrated, strongly fragranced cleaner, EU Ecolabel certified and without hazard classification, for the daily maintenance of all types of surfaces and hard or thermoplastic floors. Leaves a very fresh and pleasant floral fragrance.

Approved for food contact.

USE

- Particularly suitable for removing soiling (ink stains and others) from modern surfaces, desktops, laminated surfaces, washable and enamelled paintwork, telephones, screens, fingerprints on doors and high-touch points (door handles, switches).
 - Impregnate the microfibre cloth
 - Wipe the surfaces to be cleaned
 - Allow to dry
- For safety reasons, apply the product to paper or a microfibre cloth when cleaning switches.
- For cleaning floors: use a double-bucket system with wringer, a scrubber dryer or a single-disc machine. One pass is sufficient to remove the applied solution.

DOSAGE

- Routine cleaning (bucket or scrubber dryer): 0.6% (3 x 20 ml doses/10 L)
- Spray application (for stubborn stains): 3% (1 x 20 ml dose/650 ml spray bottle)

TECHNICAL CHARACTERISTICS

- Fragrance: floral
- Colour: blue
- pH undiluted: 7 ± 0.5
- pH at 0.6% dilution: neutral
- Does not affect protective treatments, regardless of the application method.

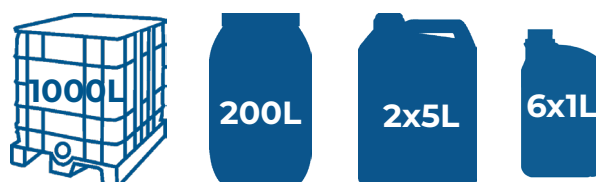

STORAGE

Keep the product in its original closed packaging. Protect from frost.

ECOLOGICAL INFORMATION

- Biodegradable product (EC 648/2004)
- EU Ecolabel certified

PACKAGING

Packaging	Reference	EAN code
1,000 L IBC	2112469	5411283217040
200 L drum	2112495	5411283211345
Carton 2x5 litres *	2112458	05411283211741
Carton 6x1 litre *	2112444	05411283214445
Spray label	9700762
