Product information:

ODOR LINE NEUTRAL

NEUTRAL FLOOR AND SURFACE CLEANER

DESCRIPTION

Concentrated neutral cleaner, EU Ecolabel certified, strongly fragranced and low-foaming, for manual cleaning of glossy floors (glazed porcelain stoneware, thermoplastic flooring or protected linoleum) and modern surfaces. Leaves a very fresh and pleasant fruity fragrance.

Approved for food contact.

USE

Manual cleaning: using a double-bucket flat-mopping system, or as a spray for small surfaces (desktops, IT equipment, etc.).

Mechanical cleaning: use a scrubber dryer fitted with pads suitable for the floor covering.

DOSAGE

- Routine cleaning (bucket or scrubber dryer): 0.6% (3 x 20 ml doses/10 L)
- Spray application (for stubborn stains): 3% (1 x 20 ml dose/650 ml spray bottle)

TECHNICAL CHARACTERISTICS

- Fragrance: fruity
- Colour: green
- pH undiluted: 7 ± 0.5
- pH at 0.6% dilution: neutral
- Does not affect protective treatments, regardless of the application method

STORAGE

Keep the product in its original closed packaging. Protect the product from frost.

ECOLOGICAL INFORMATION

- Biodegradable product (EC 648/2004)
- EU Ecolabel certified

PACKAGING

Packaging	Reference	EAN code
200 L drum	2112595	5411283219556
Carton 2x5 litres *	2112558	05411283215855
Carton 6x1 litre *	2112544	05411283214452
Spray label	9700869	

All our packaging is 100% recyclable. Containers marked with an * contain recycled plastic.
