- Non-allergenic product with limited VOC content (volatile organic compounds)
- Approved for use on food-contact surfaces

Product information:

ODOR LINE **SANITARY**

CONCENTRATED SANITARY CLEANER

DESCRIPTION

Highly fragranced daily descaling cleaner, EU Ecolabel certified, for sanitary areas: toilets, showers, floors, etc. Neutralises unpleasant odours and leaves a very fresh, pleasant pine fragrance. Approved for use on food-contact surfaces.

DIRECTIONS FOR USE

- Sanitary fixtures:
 - spray the surfaces to be cleaned (washbasins, urinals, showers, toilet seats, etc.)
 - scrub the surfaces using a sponge or brush and a bucket of clean water
 - wipe with a well-wrung red microfibre cloth rinsed in clean water
- Floors: use a double-bucket system with wringer, a scrubber dryer or a single-disc machine. One cleaning pass is sufficient to remove the applied solution.
- Walls, doors and touchpoints: use the same method

DOSAGE

- Routine cleaning (bucket or scrubber dryer): 0.6% (3 x 20 ml doses per 10 L)
- Spray application (for stubborn stains): 3% (1 x 20 ml dose per 650 ml spray bottle)

TECHNICAL CHARACTERISTICS

- Fragrance: pine
- Colour: pink
- pH (undiluted): 2.5 ± 0.5
- pH at 0.6% dilution: 4.5 ± 0.5
- For use on acid-resistant surfaces only. Do not use on marble, travertine or other limestone-based materials.

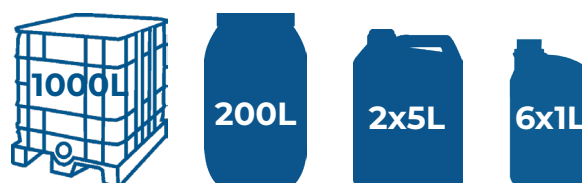

STORAGE

Keep the product in its original sealed packaging and protect from frost.

ENVIRONMENTAL INFORMATION

- Biodegradable product (EC 648/2004)
- EU Ecolabel certified

PACKAGING

Packaging	Reference	EAN code
1000-litre IBC	2112369	5411283216937
200-litre drum	2112295	5411283219525
Box of 2 x 5 litres *	2112358	05411283211420
Box of 6 x 1 litre *	2112344	05411283214438
Spray label	9700763	

All our packaging is 100% recyclable.
Bottles marked with an * contain recycled plastic.
