ODOR LINE MULTI DELTA

CONCENTRATED ALL-PURPOSE DEGREASING CLEANER

DESCRIPTION

High-performance general-purpose degreasing cleaner for removing animal and vegetable oils and fats. For manual or mechanical cleaning. Suitable for the daily maintenance of floors and surfaces. Approved for food contact.

USE

For degreasing floors and surfaces in the food industry, catering, butcher shops and other difficult-to-clean areas. Suitable for cleaning tables, bins and sanitary fixtures, as well as floors in food retail environments.

Safe for stainless steel surfaces when used as recommended.

DOSAGE

- Routine cleaning: 0.6% (3 doses/10 L)
- Spray application (for stubborn stains): 3% (1 dose/650 ml).

TECHNICAL CHARACTERISTICS

- Colour: colourless
- Fragrance: fruity
- pH undiluted: approx. 10
- pH at 1.25% dilution: approx. 9.8
- Odor Line Multi Delta is low-foaming and therefore suitable for use in scrubber dryers.

STORAGE

Keep the product in its original closed packaging. Protect from frost.

ECOLOGICAL INFORMATION

- Surfactants of natural origin
- Biodegradable product (EC 648/2004)
- EU Ecolabel certified
