Rubberclean

Concentrated stripper for unburnt rubber & gum residues

- Intensive surface stripper
- Removes rubber & gum residues and protrusions
- Without coloring, fragrance-free
- Non allergenic
- Without VOCs (Volatile Organic Compounds)

Product information:

Rubberclean

sharing our passion

Concentrated stripper for unburnt rubber & gum residues

DESCRIPTION

Industrial stripper for the elimination of rubber residues or gums in thick layers (unburnt residues) in industry. Mechanized or manual application. Product approved for food contact.

USE

Product intended only for floors. Cleaning with an automatic scrubber can be envisaged only with a steeping of the surface and with a collection of the residual solution in a second passage after a contact time of at least ten minutes. For an optimum result, you are strongly recommended to apply the solution with a maximum flow and to use very hard brushes (tynex).

DOSAGE

3 to 5%

TECHNICAL CHARACTERISTICS

- Color: colorless to yellow
- Pure pH: > 13,5
- pH in solution of 5%: 13,0 ± 0,5

STORAGE

Keep the product in its original closed packaging. Protect against freezing temperatures.

ECOLOGICAL INFORMATION

- Biodegradable product (CE 648/2004)
- Packaging 100% recyclable
